

The Global Tech20 Summit, Pharma20 Summit, G20 Health20 Summit, and a selection of other remarkable conferences transcend borders and time, captivating attention in captivating cities such as New York City, London, Tokyo, Paris, Los Angeles, Istanbul, Shanghai, Beijing, Moscow, Sao Paulo, Cairo, Mexico City, Hyderabad, Chennai, New Delhi, Vizag, Sydney, Rio de Janeiro, Buenos Aires, Johannesburg, Dubai, Rome, Seoul, Amsterdam, Toronto, Hong Kong, Singapore, Berlin, Madras, Lumpur, Bangkok, Vancouver, San Francisco, Chicago, Abu Dhabi, Istanbul, Osaka, Prague, Milan, Jakarta, Stockholm, Copenhagen, Vienna, Athens, Warsaw, Brussels, Lisbon, Budapest, Dublin, Auckland, and Edinburgh. Monthly updates will appear on each conference's website at least 30 days in advance. These details are showcased regularly on the websites. Depending on availability and cost constraints we may change or choose a nearby venue in the respective city. These events are open to everyone regardless of nationality or ethnicity, age, or social background.

The abstract submission and presentation guidelines are crucial for ensuring a fair and standardized evaluation process for award nominations. These guidelines are provided to applicants to prepare their abstracts and presentations.

1. **Word Limit and Biography:** The abstract should not exceed 1000 words, with a minimum of 200 words, while the biography should be within 200 words (minimum 100 words). Adhering to these limits allows for concise yet comprehensive submissions.
2. **Images and Publications:** Applicants can include a maximum of three images, including their own photography. Additionally, they should provide a list of recent publications.

# Be a Part of the Distinguished G20 Community, Showcasing Your Research and Gaining Recognition in Global Conferences and Proceedings

We extend a cordial invitation to scholars, scientists, and physicians to actively participate in an endeavor that holds the potential to shape the Summit series, Global Tech20 Summits, Pharma20 Summit series working group meetings, Pharma20 Summit series, digital health, and the G20 conference proceedings publications. By joining this distinguished community, you have the opportunity to earn recognition for your work contributing to the esteemed G20 proceedings.

This is an excellent opportunity to present your selected abstracts at the designated G20 conferences or through virtual presentations. Following these presentations, your work will be featured in the renowned G20 conference proceedings publication.

This is an excellent opportunity to present your selected abstracts at the designated G20 conferences or through virtual presentations. Following these presentations, your work will be featured in the renowned G20 conference proceedings publication.

Regardless of Physical Presence, Showcase Your Work and Get Published in the G20 Event Series Proceedings, Available in Global 20 Languages, ensuring that your work is still showcased. Additionally, your abstracts and articles will be published in the G20 event series proceedings, available in multiple languages.
