

# GASTROENTEROLOGY AND DIGESTIVE DIAGNOSIS

East Sussex Hospitals NHS Foundation Trust, UK

The Department of Gastroenterology and Digestive System (GI) at East Sussex Hospitals NHS Foundation Trust, UK, is a leading center for the diagnosis and management of a wide range of gastrointestinal and digestive system disorders. The department is staffed by a team of experienced consultants, registrars, and nurses, and is equipped with the latest diagnostic and therapeutic techniques. The department provides a comprehensive service to patients, including endoscopy, colonoscopy, and gastroscopy, as well as medical and surgical management of a wide range of conditions. The department is also involved in research and teaching, and is a member of the European Society of Gastrointestinal Endoscopy (ESGE) and the British Society of Gastroenterology (BSG).
