

Dear Readers,

With a great pleasure, I would like to express my happiness on the eve of entering into the 5th

The complete details regarding the journal can be seen at: Journal of Clinical and Experimental Transplantation.

Clinical and Experimental Transplantation Journal is nothing without the consistent help of the Editorial Board Members particularly our Editorial Board members are the back bone of the journal.

Finally, authors and reviewers assume a huge role in building this journal. Thus, as an Editorial Co-ordinator I invite all the all-

encompassing dignitaries in this field to introduce their articles for bringing this exploration/ability to the overall academic community.

This journal welcomes submissions via online submission system or email to the Editorial Office at submissions@omicsonline.com
