Treads on Finding Inspiration for the Christianity's Law Establishment

Heleba S*

Department of Law, University of Johannesburg, Johannesburg, South Africa

Abstract

The Age of Enlightenment's signal achievement was to break the existing link between law and religion. Magisterial contribution to this volume explores the complexity of this subject. He shows that religion did remain a force to be reckoned with even among most Enlightenment thinkers. Subject to this amendment, does not deny the gradual impact of secularism on this subject. He would agree.
