Founder/President Earth Environment and Climate Care Ambassadors (EECCA), Nigeria, E-mail: [jcitycleanersinternational@gmail.com](mailto:jcitycleanersinternational@gmail.com)

The "9th World Convention on Recycling and Waste Management" hosted by conference series with the theme "Advocating Waste Disposal and Recycling Practices for Clean and Green Environment". The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received a commendable applaud and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of Recycling and Waste Management.

The conference was initiated with the Honorable presence of the Keynote forum. The list includes:

- Title: Current developments in closing the recycling loop of PLA

Adina Anghelescu-Hakala, VTT Technical Research Centre of Finland Ltd, Finland

- Title: Recycled concrete aggregates from construction and demolition waste in India – CO<sub>2</sub> binding by carbonation

Christian J Engelsen, Stiftelsen for Industriell Og Teknisk Forskning (SINTEF), Norway

- Title: Food waste recycling using black soldier fly larvae

L M Chu, The Chinese University of Hong Kong, China

Conference series is organizing "10th World Convention on Recycling and Waste Management" which is going to be held on July 20-21, 2020 at O-4 (O G TJET@.0000092 0 612 72 reSfJ,J7r609(p Tm0 g4 Tf1 0 0 1 124.46 212.45 m0 g0 G{21, )27(2
