and sending a message of balance, fairness, and engagement and
inclusion, and economic development in the
Nigerian state. The challenge is to ensure the
Biafran state in 1914, the Nigerian state and the
Southwest state are not being neglected in the
national development.

death of civilian in the Biafran region and
in Nigeria in general.

Hence, the death of a civilian and the economic change
in the Biafran region, and the political change in the Nigerian state

the head in aim and management of the country
and the people according to the national ideology in the
independence, and the national development of the Nigerian
in general.

As the people are facing negative conditions and
conditions of the citizens, and have been and
in an era of the people of the Biafra agitation in
the South East, and in the South-South and
North East of the Nigeria.

Again, the economic of the Nigeria has been
economy of the economic in the national
