

04.   ) 

$$4\otimes) - \otimes A) \downarrow \begin{matrix} AB \\ B \\ z \end{matrix} = A \otimes B$$

the first time, the author has been able to show that the *lute* was a well-known instrument in the 13th century. The author also discusses the history of the *lute* and its development over time, as well as its use in various musical contexts. The author concludes by discussing the significance of the *lute* in the history of music and its continued relevance today.
