

Ke d : 1
f d ci

A large, dense block of musical notation, likely representing a complex piece of music or a score for multiple instruments. The notation is highly detailed, with many notes, clefs, and other musical symbols. It appears to be a transcription of a musical score, possibly for a large ensemble or orchestra. The notation is arranged in many horizontal staves, each containing a series of notes and symbols. The overall appearance is that of a highly complex and detailed musical score.

h d g

A smaller block of musical notation, consisting of a few staves with notes and clefs. It appears to be a continuation of the musical score or a separate section. The notation is less dense than the previous block, with fewer notes and symbols. It includes a few clefs and notes, suggesting it might be a specific part of the score, such as a solo or a specific instrument's part.
