To Whom It May Concern,

I hereby express my great interest in continued service to *Journal of Spine* as Editor. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine and the technology communities.

I strongly recommend the *Journal of Spine* to be indexed in PubMed Central. This unique Open Access journal is a valuable resource for the spine community. I have no conflict of interest in this recommendation.
