I have the pleasure to inform you that your manuscript, "The Role of the  
Mammalian Brain in the Control of the Heart Rate," has been accepted for  
publication in the Journal of Neurophysiology. I am pleased to give my consent to  
publish your work, which would interfere with this journal's commitment to  
publish high quality research in the field of neurophysiology.

The Journal is indexed in PubMed, ScienceDirect, and other professional  
databases. It is also included in the ISI Alerting Services. The Journal is  
published by the American Physiological Society, which is a not-for-profit  
organization dedicated to the advancement of the scientific study of  
physiology.

Very truly,  
Yours,  
Dai Lu
