To whom it may concern.

I am writing to recommend your journal of Alcoholism & Drug Dependence to be indexed in PubMed. The journal of Alcoholism & Drug Dependence publishes papers on psychological and sociological aspects of alcohol and drugs, and their effects, including biochemical, behavioral, pharmacological, physiological, behavioral actions and clinical research in humans. The journal includes a wide range of fields in its discipline to create a platform for the authors to see their contribution towards the journal and the editorial office provides a peer review process for the submitted manuscripts for the quality of publishing. The journal is an Open Access journal and is free to publish, host, copy, edit and reuse source of information on the discoveries and current developments in the field of origin articles, review articles, case reports, short communications, etc. in the field and making the free available through online without any restrictions or any other subscriptions to researchers worldwide. The journal is using Editorial Tracking System for quality in review process. Editorial Tracking is an online manuscript submission, review and tracking system. 4 4 4 f
