

Letter of Consent

To

National Institute of Medicine
Building 3 - Room 4N-119
8600 Rockville Pike
Bethesda, MD 20814

I hereby express my great interest in continued service in Journal of Bioequivalence & Bioavailability (or) Review: I further consent to disclose by the Journal my affiliation and contact information. I have no conflict of interest, which would interfere with this important service for science, medicine, and public health.

I strongly recommend that the journal be indexed in PubMed Central. Journal staff and editorial members have worked very hard to establish its high professional standing.
