I hereby express my great interest in continued service of Journal of Pharmacology & Biopharmaceutics as an Editor/Editorial Board member. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any financial interest, which would interfere with this important service to the academic and technology communities.

I strongly recommend this journal to be indexed in PubMed Central, and that the editorial board members have worked very hard for the journal to establish its high professional standing.
