National Library of Medicine
Binding Room
Rockville, MD
Bethesda, MD, USA

Dear Mr. My Concern

The journal of Yoga Therapy is working towards indexing in PubMed. The editorial board members and staff have worked very hard for the journal to establish its high professional standing. As a member of the editorial board, supporting this endeavor and recommending this journal to the National Library of Medicine is a high priority. We are currently working on this and will be submitting the journal to the National Library of Medicine for consideration. We are currently working on this and will be submitting the journal to the National Library of Medicine for consideration.
