Dear National Library of Medicine;

I am on the editorial board of OMICS Journal of Radiology. I believe that the journal's submission to be indexed in BMC is feasible and timely. Their efforts have been great in striving to produce quality peer reviewed journals. I strongly recommend the OMICS Journal of Radiology to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Sincerely,

Mehdi Djekidel
