To Whom It May Concern:

This letter is written to strongly recommend the Journal of Depression and Anxiety to be indexed in PubMed Central. As an author of an in press article, I found the review and publication process professional and equivalent to other peer-reviewed journals that I have published in PubMed Central. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

Sincerely,

Rhonda C. Boyd, Ph.D.
Assistant Professor
Children's Hospital of Philadelphia
