### Letter of Recommendation

I hereby express my great interest in continued service in Journal of Medical Microbiology & Diagnostic as an Editor. I further give my consent to disclose by the Journal my affiliation and contact information which not have any conflict of interests which would interfere with Wiley's www.wiley.com service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central journal staff and Editorial board members have worked hard to bring the journal to its high Professional standing.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S. Direkel'.
